## **FOR SALE**

Built by the owners in 1984 this beautifully maintained house on a corner block in Ebenezer could be the family home you have been searching for. The circular driveway allows easy access for friends and family to enter your home. A whopping 12 x 7.3m shed with 15 amp power, has 4 bays and can fit the owners caravan in the end. One of the doors are remote. The verandah has been covered with a tasteful epoxy sealant and French doors open out for lounge, and the 2 bedrooms on the front side. You are greeted by cathedral ceiling and a cozy wood fire upon entrance into this warm home. The lounge has a reverse cycle air conditioning unit. There is a separate dining area with a peaky-a-boo servery into the kitchen. The 2pac kitchen has clever storage ideas throughout, plenty of bench space and views to the living area or the entertainment area out the back allows the chef to be included in the daily activities happening around the house. The laundry is oversized and makes the agent selling the property jealous wishing hers was half as big. There is a family bathroom with a corner bath, separate toilet and plenty of storage through this home. The 3 end bedrooms all have built in wardrobes and in the supersized master bedroom there is a walk through ensuite to the other end bedroom. Outside the entertainment area is enormous. Entertaining for family & friends here would be fantastic. The house is insulated with cool & cosy in the bedrooms and Sisalation in the cathedral ceilings. There is a back to base security system if you like to travel like these owners, it can give you a bit of comfort. Separated into 3 paddocks with garden shed as well. This is an awesome opportunity to secure something so unique in a huge growth area of Ipswich.
