Built in a characteristic interwar style that is instantly recognisable and highly acclaimed; the property's original features, soaring dimensions, and unique layout have only gained in significance with the passage of time. The centrepiece of the home is an enclosed inground pool. A pitched frosted ceiling towers above; while the pizza oven, kitchenette, water fountain, and patio make it ideal for entertaining in any season. An 11 metre games room above the garage, woodfire family room, and luxury bathroom with spa offer additional areas for entertaining. Sitting comfortably below soaring cathedral ceilings, a solid timber kitchen continues the theme found through, presenting itself as both elegant and functional. Accommodation comprises four bedrooms in total. Two bedrooms with BIR, a third with inbuilt desk and fireplace, a family bathroom, and a master bedroom with ensuite and WIR. Features of this fabulous family home include a full-sized cellar, ducted heating, secure garage, off-street parking, timber flooring, and ceiling fans. Positioned on the cusp of Oakleigh's lifestyle and entertainment districts, live within walking distance of grocers, cafes, retail outlets, parks, and public transport in one of the east's most sought-after neighbourhoods.
