Nestled along the pristine banks of the Snowy River, this off-grid oasis seamlessly blends modern comfort with sustainable living. A 10kw solar system, coupled with a robust battery and generator backup, ensures uninterrupted power supply, allowing you to embrace the beauty of off-grid living. This thoughtfully designed home features three bedrooms, with the main bedroom boasting an ensuite and a walk-in robe. A built-in wardrobe graces one of the additional bedrooms, providing ample storage space. Two well-appointed bathrooms and an internal laundry enhance the convenience of daily living. Step into the heart of the home, where a spacious kitchen awaits, complete with a walk-in pantry. The expansive living space is complemented by two combustion fireplaces, creating a warm and inviting ambiance. Beyond the walls, an 8.5-acre haven unfolds, offering a sanctuary of tranquility. Immerse yourself in the refreshing waters of the inground saltwater swimming pool or indulge in relaxation in the hot tub. Entertain guests effortlessly in the outdoor area, equipped with weatherproof blinds, ensuring year-round enjoyment. In addition, a pot belly fireplace outside beckons you to enjoy the crisp outdoor air. A detached two room structure offers a versatile and private space which could suit a multitude of uses. This property is not just a home; it's a lifestyle—an exclusive retreat where the serenity of nature harmonizes with the comforts of modern living. Embrace the warmth of the fireplaces, the cool embrace of the swimming pool, and the breathtaking vistas of the Snowy River. Your off-grid dream awaits.
