* Photos are virtually staged. Framed by floor-to-ceiling glass in a commanding corner setting, this stunning 2 bedroom, 2 bathroom, 2 balcony apartment will instantly inspire with a genuine sense of sunlit space. Set on the 14th floor of the Hudson Tower building as part of the popular Upper West Side complex, venture downstairs and walk to Southern Cross trains, free city trams, SkyBus airport service, world-class eateries, shopping choice, universities and the riverside restaurants of Southbank Promenade. Welcome to a prestigious CBD neighbourhood! Light-filled living and dining pivots a stone-topped kitchen showcasing a mirrored splashback and quality stainless-steel appliances including a dishwasher. Step outside to a primary undercover balcony graced with sweeping views over the waved roof of Southern Cross Railway Station before landing on Marvel Stadium and a panoramic aspect to the north. Both generously sized bedrooms are sunlit, serviced by built-in robes and a pristine pair of luxe bathrooms with mirrored cabinetry, while the main bedroom offers direct access to its own balcony. Take advantage of secure parking, a concealed laundry, split-system heating and cooling, double glazing, roller blinds and recessed down-lighting. Upper West Side comes complete with a welcoming concierge, video intercom entry and exclusive access to a pool, BBQ terrace, rock climbing wall, gym and a multi-purpose function room with kitchen facilities.
