Situated in an excellent quiet street in the heart of Tarragindi, stands this 4 bedroom post war timber and tile home. Sitting on a 653m² elevated allotment within walking distance of local shops and bus transport, easy access to the freeway (without the noise) and within the catchment for Wellers Hill Primary School. Consisting of polished hardwood floors, built-in wardrobes and air-conditioning to all 4 bedrooms, air-conditioned living and massive air-conditioned kitchen with dishwasher. Downstairs is the laundry, garage and loads of storage space. Fully fenced yard with brand new colorbond front fence. The house is crying out for a back deck to take advantage of the leafy easterly outlook. Potential to raise the house and build in underneath. A well built home in a prime location, just waiting for someone to maximise its full potential.
