This stunning family home has been architecturally designed with the highest quality finishes, fixtures and fittings as it was built by the owner builder as their personal residence-a seamless mix of modern, class and contemporary flair. This is an exciting opportunity to secure a stunning home in a first-class location. What we love about this home:

- Sprawling light filled open floor plan design with the dining, lounge and kitchen flowing out to the entertainer's patio for effortless entertaining
- Modern and contemporary galley style kitchen with stone benchtops, stainless steel dishwasher, inbuilt electric oven, ceramic cooktop, mosaic tile splashback, overhead cupboards, plentiful drawers, storage and bench space
- Four extra-large bedrooms, bedroom one, two and three are located on the ground level and an unique fourth bedroom is located on the mezzanine level accessed by a retractable hideaway ladder. This private yet open light filled space could be utilised for so many different purposes
- Spacious master bedroom features a fantastic his and hers walk-in robe which flows through to the enormous deluxe ensuite with bath, shower, stunning stone and timber vanity and decorative mosaic tile accents
- Split system air conditioning, down lighting, banks of louvred windows and large high gloss ceramic floor tiles throughout
- Classic neutral colour scheme internally and externally combining both timber and stone finishes
- Large internal laundry with built in storage and cabinetry
- Sparkling in ground swimming pool with water feature and private surrounds
- Double lockup garage with dual remote roller doors which can be accessed from separate streets of the corner allotment and includes a storage room with inbuilt desk and cabinetry
- Other notable features include solar power and national broad network

Located a stone's throw away from the newly built Breezes Bar & Bistro, minutes' drive to major shopping centres, university, beaches and hospitals, this is a beautiful unique home.
