Overlook the Tweed River from your own private oasis in this stunning executive-style double-brick home situated on just over an acre. The home was built with the large and extended family in mind, is surrounded by beautifully landscaped gardens and is only minutes from Murwillumbah town centre. Take a walk through the forest down to the riverbank, along tracks landscaped with stunning granite rock walls, taking in majestic gums, pines and exotic trees and gardens, all on your own property. Once you arrive at the river you can walk along the bank to Dallis Park or jump in the Kayak and go for a paddle and take in the views to Mount Warning/Wollumbin. Upon entering the foyer of 'Toad Hall', yes that is what this beauty is called, straight out of 'Wind in the Willows', you enter the ground floor of three levels. There is a double garage and a large well-appointed family laundry and a spacious one-bedroom flat, with its own laundry, designed for independent living. The ground level flat is perfect for your mature family members and opens out onto a lovely sunny verandah that overlooks the landscaped gardens that adorn the saltwater swimming pool and gazebo area. The one-bedroom flat is fully self-contained with a spacious living area that has plenty of room for a full-size dining suite and lounge setup. Your family will have plenty of room to relax on the first level which features stunning polished timber floors throughout. The solid Tasmanian Oak kitchen is the centerpiece of the home and is extremely generous in size. No need to fight over bench space when prepping lunches or preparing meals for the hungry hoards. Adorned with solid dark granite benchtops, ample cupboard space, an island kitchen bench with breakfast bar and corner pantry, this kitchen is the large families dream. There are two dining areas, a large area directly off the kitchen that opens onto the rear verandah, plus a separate formal dining area, that opens onto the front verandah area. Don't need a formal dining area? No need to worry, this room would also make a fantastic office as it has dual access. The generous floor plan is carried through to the main living area, that features a reverse cycle air-conditioner and fireplace. Again, with access to the front verandah, you can capture the summer breezes and take in the country views. The master suite features a full-size walk-in robe and full size ensuite with spa. It opens onto the rear verandah with stunning mountain and river views. Take in your Sunday morning paper on your own private balcony where the birdlife is abundant as is the tranquility. The third level features six full-sized bedrooms, all with built-in robes, three with ceiling fans. A full-size bathroom and separate toilet and ample linen cupboard and storage space. The views from all bedrooms are gorgeous, with views north over the river and border ranges and to the Southern Countryside. Do you need room for a caravan, a boat, your work trailer and tools? They will all fit here, plus multiple family cars. A 12mx8mx2.8m Colorbond garage that has an additional enclosed 8mx5mx3.7m bay is fitted out with 3 phase power, full lighting, plenty of GPOs, concrete floor and a large area of hardstand outside for easy vehicular access or parking. The home also features solar hot water and a whopping 6.6kws of solar power. The location of this amazing property is perfect. It features river frontage but elevated so flooding is not an issue and the mountain views are stunning. It is a short 5-minute drive into Murwillumbah town centre and an easy 1 km walk to the Tweed Regional Gallery and Margaret Olley Museum. And let's not forget the many beautiful beaches, cafes and restaurants that the Northern Rivers have to offer. It is an easy 25-minute drive to either Cabarita or Pottsville Beach. Murwillumbah is the gateway to the Tweed Region's most beautiful natural attractions, take your pick from a walk in the hinterland, a dip in a waterhole or a drive to the beach. Cabarita Beach and Kingscliff are only an easy drive away. Wander the world-class galleries, have a long lunch, browse the boutiques or find something special at the Makers & Finders Market. This is regional living at its best. Need to be somewhere else? The Gold Coast Airport is a 30-minute drive for all your national and international destinations. Are you ready?
