Enjoy relaxed living in this modern family home on small acreage with so much potential. With four bedrooms, two bathrooms and an open living area, there is plenty of space for a growing family or those who love to be outdoors. The master suite has a walk-through robe to the ensuite, the 3 other bedrooms all well sized and have built in robes. A neat-and-tidy kitchen boasting a beautiful stone waterfall edge benchtop with electric wall oven and separate cooktop complete with a dishwasher to make life in the kitchen easier. The kitchen overlooks the open-plan living space with sliding doors that open out to the rear paved patio area. Extra features include 2x 22,000 litre rainwater tanks, a bio septic tank, 3 phase power to the house and the enormous 15m x 9m shed out the back. The shed would be perfect for a workshop, caravans, boats, cars or make use of the space as the ultimate man cave. This move-in ready home is set on 2.9 acres within a quiet cul-de-sac, perfect for those who love to enjoy space and privacy without the high-level maintenance of large acreage. The bushland provides a lovely backdrop with a seasonal creek that runs through the rear boundary of the property. A 10-minute drive will take you to Batemans Bay with shopping, schools and services, while the picturesque Long Beach is just moments away where you can enjoy the beach. There's plenty of natural bushlands to explore, perfect for the nature lover.
