\$540,000

A spacious family home, surrounded by beautiful established gardens that overlooks Maryborough's Golf Course. The home is located on a large corner allotment with side access to a double remote controlled garage with extra room to accommodate a caravan, trailer or extra parking should you wish. Upon entering this home you will be impressed by the spacious rooms and natural light from large windows throughout. Ducted heating, cooling and ceiling fans ensures comfort while the solar system keeps the running costs down. The generous sized front living room leads through to an open plan kitchen, dining and second living area which opens out to an undercover patio. The modern kitchen boasts slate floors, solid timber cabinets, electric cooktop, double oven, dishwasher and stone benches. Four generous sized bedrooms all with built in robes, one of which is currently used as study are serviced by the main bathroom which is equipped with shower, spa bath and vanity. The master bedroom features an updated ensuite with floor to ceiling robes. Outside enjoy the gardens from the undercover patio or entertain friends and family in the pergola. An enclosed fernery, garden shed/cubby, water tank and vegie patch are all enclosed in the secure yard. Front and back ramps have been installed for easy access and artificial turf adds to the low maintenance yard. If you have been looking for an established property that ticks all the boxes then enquiry today.
