Not quite 12 months old and on a rarely available land size of approximately 1210sqm, this gem of a property is the ideal home for such a large variety of potential purchasers, sure to be popular on today's market. Features include 3 good sized bedrooms, the main with a walk-in robe and the 2 others with built-ins, 2 bathrooms, 2 living areas along with a double garage under the main roof. The split system A/C along with ceiling fans throughout comfort control the inside, whilst outside there is ample room for the shed, boat, caravan or whatever toys that may be of your choice. Great access each side of the property and as it sits in a quiet cul-de-sac with new builds surrounding, it is a property that offers a great living/lifestyle choice. Ideal for a family home, perfect investment, great choice for retirees needing a bit of room for the caravan or one for a couple who enjoy a touch of outdoor entertaining - I can only imagine the rush for this one. Call today for a private inspection or see you at the open.
