Federation Village Werribee presents an exquisite 15 acre peaceful and pristine community. With its tree-lined streets and pockets of green space, Ingenia Federation Village is a charming natural sanctuary, despite its bustling metropolitan location close to public transport, shops and the Werribee River. A large community centre and ample amenity within and beyond the gates make this an ideal community for those who love to be in the heart of it all. Proudly owned and operated by leading Ingenia Communities, Ingenia Federation Werribee offers a relaxed and connected lifestyle among like-minded people. You can live life on your own terms, whether that means getting involved in village life and the local community, making time for family and friends, or enjoying the privacy and comfort of your low-maintenance home. For many of our residents, downsizing to a lifestyle residential community frees up more time to enjoy all the above and more. Living among people at a similar stage of life means opportunities for friendship and connection are always close at hand, and there's a vibrant social calendar of events, activities and interest groups to bring the community together.
