Close to schools, childcare and recreational facilities, this beautifully renovated brick veneer residence has been thoughtfully designed with so much to offer its new owner. The exceptionally maintained home comprises four bedrooms, including a private master suite boasting built-in robes and ensuite and three remaining robed bedrooms share a beautiful contemporary bathroom, offering both functionality and style. The heart of the home is a magnificent living zone that incorporates a spacious front lounge, meals area and a lovely modern kitchen. A well-appointed laundry, quality flooring, ducted heating, split system air conditioning and ceiling fans all add to the appeal of the property. The exterior is equally as impressive with the rear yard enjoying the northerly aspect and a large all-weather alfresco featuring custom blinds and electric panel heating. Beautifully landscaped gardens, window awnings, and a drive-through concrete driveway to a large shed with an attached workshop/storage room complete the package.
