Situated on a huge 1010m² allotment is this massive 4 bedroom, 2 bathroom, 3 living zoned family home with a fantastic 10m x 6m workshop. As soon as you enter you will see this home will accommodate a large family with 3 big living areas, a spacious updated kitchen, 4 generous sized robed bedrooms, large central family bathroom with spa bath, second bathroom with shower over bath, storeroom/study and roomy laundry. The outside is more than generous with the sensational 10m x 6m powered workshop/3 car garage, relaxing front verandah, and all on this enormous allotment that is private and secure with a new front fence. The first time presented to the market in many years, this much-loved family home is ready to be re-stored to its former glory. It's a big house on a huge block in a great spot with lots of potential.
