GREAT OPPORTUNITY FOR A GOOD PRICE. WHITSUNDAY SHORES 4 bedroom home on 800m² with fenced back garden. Enjoy harbour views and live amongst beautiful homes in this fast developing residential community. Rendered block construction features separate lounge and family living and en-suite bathroom. Relax on the back deck. Double garage has remote control and internal access to the kitchen. MOUNTAIN BACK DROP and harbour views make a dramatic and beautiful landscape to live your daily life in. This is not your typical project home, but rather a superbly designed and planned family home with two bedrooms at the front and two others, including main bedroom toward the back, thus ensuring Mum and Dad have a quiet retreat with a unique dressing area and en-suite. A galley-style kitchen with island bench keeps meal preparation well and truly a family activity. Gas cooktop, big oven, canopy and dishwasher are all good quality. Tiled interior is clean and cool, and a change in floor level from the entry and front rooms is an excellent and appropriate design feature. To all those seeking a point of difference and creative living design, this is the one to inspect. CALL US TODAY.
