With perfect presentation, side access to a 7m x 7m shed, the beach around 400m away and the park just over the road, you will fall in love with the lifestyle of this fantastic area. A wonderfully built home with all the right things in all the right places. The large kitchen overlooks a spacious living area that is light and bright. Quality flooring knits together the area that flows outside onto the protected patio areas. Thank goodness this is on 763sqm, as it creates the space needed to access the shed. You can fit a caravan or boat down the side and the shed is easily accessible on the right side for an extra vehicle. The garage has extra space also.
