This is a beautiful brick home has impressive street appeal that reflects a dedicated maintenance/improvement regime. It also has substantial living areas including the addition of a fabulous indoor/outdoor room with kitchen facilities which is now the hub for home life and entertaining. Current vendors have made improvements throughout the home including plantation shutters, painting, cement landing (parking for motor home), opening up the kitchen to the indoor/outdoor room as well as lighting, new cooktop and additional split systems. Conveniently located in a quiet street close to the Country Club and Medical Center - this is a must to inspect, with quality and features that are sure to exceed your expectations.
