\$800,000

Ideally located on the edge of the township is this gently sloping vacant small acreage. The block has power connected, a large dam, all weather driveway and an income stream from a "communication tower" which provides a bonus every year with leases in place from Telstra and Amplitel. These types of blocks are very hard to find and provide an opportunity to build a new home with a lovely northeasterly aspect, and to enjoy your new lifestyle. It's a great proposition and a move that I'm sure you will be able to enjoy for years to come.
