## Freedom, Space, Views & Great Value

Why exist in a 2 bed Unit in a busy city when you can live here for less money and stress?

Perfectly situated on a level one acre (4000sq.m.) of pristine land with panoramic views down the Mary Valley as far away as Pomona, is this large upmarket 5 bedroom, 3 bathroom, 5 car, brick home. Not only does it come with all the natural environment features, it also comes with a 4 bay large colourbond shed incorporating 3 garage doors and a workshop, and is so close to town and schools.

If you are wanting to move away from the rat race and daily grind of City life, this property will be the one to release the stress and start enjoying a lifestyle of freedom, fresh air & space.

The home is 398sq.m under roof, with town water. Featuring 5 bedrooms (or 4 with an office) with large built-in wardrobes and fully airconditioned. Very comfortable spacious alfresco area catching the breezes and views.

Modern open living with everything you need at your fingertips.
