Half an acre of Heaven on Earth, immediately you are struck with this overly generous space. The wide and welcoming foyer, with its coat closet, right toward the expansive Living, Dining, Kitchen and open Study, Office area of this home. The Living boasting quality, built-in lower cupboard and bookshelves. A strong feature in this home is the polished concrete floors in the Living, everyday and connective passages, goodness this looks fabulous. We have the sought after high ceilings, air conditioning, gas hot water, beautiful bespoke lighting and light fittings, stunning bathrooms and excellent utility area. Storage, well you have more than you could possibly require here. Kitchen with wide gas cooktop and electric oven, an over stove fresh water tap, a Butler Pantry, a designated storeroom and more. The landscape is well groomed, timeless and low maintenance. You will enjoy a wonderful private yard and outdoor living area, there is a trampoline set in ground, a good planting of English deciduous trees. This quite simply does take your breath away.
