Set amidst whimsical gardens, the two cottages embrace a stunning setting and showcase post-war architecture. Polished floorboards, leadlight windows and doors adorn both of the residences, infusing them with character. Fern Cottage is the original 1920's residence. It features three bedrooms, two bathrooms (including one with a spa en suite), two living rooms, a fully equipped kitchen with a glass turret, an open fireplace, a wood heater and two air conditioners. Crown Cottage rests at the rear of the property. It features two bedrooms, a spa bathroom, one living room, a large kitchen with a 1200mm Falcon cooker and glass turret, split system air conditioners and a covered deck. An outdoor shared laundry and ample sealed onsite parking complement the property.
