Great open plan living with great outside patio areas, a large area out the back for entertaining and a smaller space at the front of the house for that quiet morning coffee. All three bedrooms in the house have built in robes with the forth bedroom serving as a large storage room. There is a sleep out outside with a extra double bedroom attached to the outside laundry. There is also a second outside toilet too. The 4 bay powered garage is accessed via remote roller door access from the rear laneway. There are two extra garden sheds for more storage. The gardens are easy maintenance and include a old fashioned lemon tree, peach tree, grape vine and passionfruit vine. Stay warm in winter and cool in summer with the two split systems and the large evaporated system in the house and even the outside room has its own aircon unit. All of this plus it's within an easy walking distance to town. Pets are welcome an extra pet bond will apply(\$260).
