Located approx. 16k from Gympie, this 34.71ha (approx. 85 acre) property has all bitumen road access and approx. 1k road frontage. The country is undulating and is grassed with mostly native grasses and legumes. There are 2 dams for stock water and is divided into 2 paddocks, fencing is in good condition. There are no structural improvements. No problems with neighbours' cattle as one boundary is the road and the other boundary is the railway corridor. Carrying capacity could be improved with further improved pasture grasses. We do not accept responsibility for the accuracy of any information.
