Two homes on one property! Escape the hustle and bustle of the world to this 333 acre piece of forest paradise (or is that "peace" of forest paradise) 40 minutes up river from Wingham. Almost completely surrounded by Tapin Tops National Park, this gives you the perfect natural barrier to the outside world. This property has a permanent flowing, fresh water creek, the perfect place to cool off. The abundance of wildlife and closeness to known deer areas will make the ideal setting. The property has mains power connected and a PVP across 275 acres, providing protection the the natural landscape. The property boasts two houses which have been built with privacy in mind to blend into the natural surrounds. Placing distance between the two, gives you numerous options to either live in one and leave the other for visitors, or have two families sharing the total lots. This property truly is in a hideaway location. With its almost 2km long driveway meandering through the property, no one needs to know you are even on this planet! So come here and escape from a busy life!
