Driving along Trumpeter Road and surrounded by farmland this cute cottage comes as somewhat of an unexpected surprise as it is located within this large historical property, "Murrayfield", which looks out over the stunning waters of Trumpeter Bay. This very desirable and affordable cottage offers open plan kitchen and living area with a separate sun room, and lounge room. The kitchen is spacious and comes with a microwave, a Westinghouse stove and Westinghouse fridge, whilst the lounge includes a wood heater and a heatpump and in the way of furniture a leather lounge is included. Two large bedrooms also are being offered with furniture and a third room can be a study or bedroom being of a smaller size. This property is situated only 10 mins from the ferry which runs every 20 minutes so that commuting for work off Island is viable. No matter how hard you look you will never find another property like this !
