This home is set on just over two lovely, treed acres and is privately set back from the road yet still close enough to town to offer every convenience - you will find this property hard to replace! With many trees spread throughout the property you'll feel like this is your own little paradise! This appealing and beautifully presented home with a fantastic floorplan is sure to tick a lot of boxes. Only a couple of years old this stunning home presents as brand new! Containing three good sized bedrooms, three separate living zones for the family to spread out in, large open plan kitchen/dining/lounge and a great sized butlers pantry that connects to the laundry with internal access from the double garage that comfortably fits two cars. Leading out from the open plan living is a great sized timber deck perfect for entertaining your family and friends or just to relax on and enjoy your peaceful, private and tranquil surrounds. With the main shopping strip of Lakes Entrance only a 3 minute drive away homes of this calibre and location don't come on the market often.
