Living in central Orange is highly desirable and this home offers so much more than a great location. There are two living areas both with access to outdoor entertaining areas, fully enclosed front and rear yards, Cook Park only 250 metres walk and Orange High School just up the road. Inside the master bedroom also has access to the elevated deck overlooking the backyard. All bedrooms have built-in robes, both bathrooms and kitchen have been updated and you have high ceilings throughout the home. Secure carparking, solar panels for energy efficiency, two separate living areas, plus two outdoor entertaining spaces, not only a great location, a home with excellent inclusions. Give me a call to arrange your inspection.
