Facing the world with dramatic presence, even amongst the architectural homes of this prestige home streetscape, this three bedroom, 2.5 bathroom design from Jabbour Building Group showcases the cutting-edge design of Pink Architecture at its most eye-catching Opening beyond a massive 3m-tall door with two levels of full-height commercial-quality double-glazing, this dynamic design devotes downstairs to entertaining with voluminous 3m-ceilinged open-plan flowing north to a carefree walled garden...and dedicates upstairs as a plush bedroom level starring an extra-plush master-suite.Appointed to an innovative specification with an icy-white Smeg kitchen facing living across a Calacatta-stone wrapped bench, and bathrooms cocooned floor-to-ceiling in porcelain concrete-style tiles, this breathtaking home offers an edgy mix of stone, European Oak, and reconstituted timber finishes; with a dark veneer finish for the master walk-behind robe, airy light tones for the secondary bedrooms, and linen-sheers backed by block-out blinds for every window. High-tech with zoned climate-control, this 6 Star residence shines with energy-efficient recessed LED downlights, video intercom entry and alarm security. Even the outdoors add a touch of drama with a deep auto-garage (with vast storage) integrated into the façade, and black exposed-aggregate paving for the drive and paving.
