Close to the pool, bowling club and walkways, this sun-loving 3 bedroom unit is well worth an inspection. Renovated kitchen, separate dining and north-facing lounge room with reverse-cycle air conditioner, renovated main bathroom with separate toilet, and built-in robes in the two main bedrooms. The unit has a good size east-facing backyard with covered pergola and lock-up garden shed and is close by a corner shop and just a short walk to the CBD. Sorry, no pets.
