This stunning townhouse is located at the rear of the complex, and is split over two levels. On the first level, you are met with the generous sized master bedroom, fitted with a walk-in wardrobe and well equipped ensuite. There is a separate powder room also located on this level, and a large open plan living space with a reverse cycle air conditioner, a well-sized dining area, a stunning gallery style kitchen which is dressed in warm tones, an electric oven and loads of bench space. The living room is very comfortable, with ample light and space. Upstairs there are two well-sized bedrooms, both with built-in wardrobes and finished in neutral tones and a large bedroom with a separate shower, bath, and toilet. Outside is low maintenance and has been well thought out. The home has a single car garage with a back roller door opening to the back courtyard and with space for one more off-street park. Close to schools, shops, local parks and only minutes to the beach, this home ticks all the boxes. Please note the carpet is being replaced before the tenancy.* Please note, the 'Tenant Check' offered through the Ignite application platform is a paid product offered by Realestate.com.au and is in no way affiliated with Fall Real Estate. It is not a compulsory requirement when applying for one of our properties and it will not ensure your application will be successful or prioritised.
