15/14 JOHN STREET, BENTLEY Welcome to John Street in Bentley, this light and bright unit has an incredible location with local shopping centers and schools only minutes away. If you're looking for a great lock up and leave home or investment, then look no further. Fantastic kitchen that has stainless steel appliances and an open-plan living area. The two queen-sized bedrooms have built-in robes so there is plenty of storage space, plus one has an ensuite. The second bedroom is located close to the main bathroom which makes it ideal for guests. The home also comes with split system air-conditioning units throughout the property to keep you comfortable all year round. Moving outside you have a low-maintenance courtyard to enjoy, off open-plan living room plus a storage room for all your extra bits and pieces. Your undercover car bay is located conveniently at the entrance of the home so you can walk straight in with your shopping without any hassles, plus it is behind a secure electric front gate.
