Ripe for renovation, with endless scope for someone with a keen eye, 15/2 Coventry Drive will deliver in spades! Offering 3 large bedrooms, master with full ensuite and walk in robe, ample accommodation is provided. Another generous space upstairs would be perfect for those working from home or alternatively as a kids play area. Downstairs you will find a comfortable living and dining area which open out to the rear North facing courtyard. The hostess kitchen with stone benches and stainless steel appliances is bright and spacious. Double remote control garage with direct internal entry is safe and convenient and the laundry and powder room are clean and serviceable. Priced to sell, don't delay in making this a must see on your list!!
