This immaculately presented property is ideal for anyone looking for low maintenance living in a very convenient location. Offering a light filled spacious bedroom with built in robes, serviced by a neat and tidy ensuite bathroom with shower over bath. A well sized open plan living/dining space boasting a split system flows through to a simple kitchen with ample cupboard space. What sets this property apart from the rest is that it has not just one but two off street car spaces! Which is non existent for a one bedroom unit in St Kilda East. Being located on Dandenong Road you will have easy access into the CBD whether it be via car or Tram and you are only moments away from St Kilda Beach and the hipster lifestyle of Chapel Street. Arranging an inspection is easy! Where there are no set advertised inspections, click on "Book Inspection" and select your preferred time. Please ensure that you register for all inspections. If you do not register, the inspection may not be confirmed. By registering you will be automatically advised of any changes, updates, cancellations or future inspections.
