This is a fantastic opportunity for the position buyer to purchase a spacious apartment in the heart of Sorrento with water views. Located in the Koonya apartment complex, this three bedroom, two bathroom property is superbly presented and comprises an open plan kitchen/dining/lounge area, extending to a most inviting paved alfresco courtyard that looks through the iconic pine trees to the bay. With polished timber floors, extensive glazing, reverse cycle air conditioning, access to the communal heated pool and spa, and two underground secured car spaces on title. Secure pedestrian gates at both ends of the complex allow residents easy access to either the main street with the Continental Hotel and Stringers Store or Italico and the Sorrento Foreshore at your doorstep.
