Flawlessly reimagined with an unwavering dedication to craftsmanship, quality and contemporary elegance, this beautiful light-lavished residence is an offering that will surpass all expectations. Finished to an exacting standard, and more than worthy of its coveted Lansell Road address, the 3-bedroom, 2-bathroom courtyard home is both secure & spacious. Its flexible layout comprises a welcoming, well-proportioned lounge with cosy gas fireplace, an additional living area or home office along with a formal dining room. A full complement of prestige Smeg appliances star in the sophisticated gourmet kitchen where striking Dekton surfaces, a fully-integrated fridge/freezer and substantial storage space are all highlights. Bespoke built-in cabinetry can be found in all three of the king-sized bedrooms. The master has the luxury of its own designer ensuite while the similarly-appointed main bathroom - with LED-lit mirrored storage and both marble & sparkling mosaic tiling - services the rest of the home. Finalising a comprehensive list of standout inclusions are a butler's pantry/laundry, wet-bar with wine fridge and zoned heating/cooling. There is also a private travertine-paved courtyard, two secure parking spaces and a storage cage as well as access to a shared basement wine/storage room. Moments to Toorak Village, the banks of the Yarra and Heyington station, this blue-chip locale is also within reach of leading schooling options such as St Kevin's and Scotch colleges and St Catherine's School.
