The property's free-flowing, open-concept design encourages free-movement between inside and out, with its beautifully-finished wraparound decking its most distinguishing feature. Inside, the restrained material palette and use of flat, neutral tones give the property a sleek, minimalist feel, entirely in keeping with modern design principles. Outside, one can feel at rest and relaxed, with the covered deck enjoying a cool shaded position set against a tall garden wall. Committed to culinary excellence while remaining a proud entertainer, the kitchen presents quality appliances set among high-capacity cabinetry, with a large central serving island providing a place for friends & family to congregate. Accommodation is met by three bedrooms - a master bedroom with ensuite, BIR, and study; and two bedrooms with BIR and main bathroom access. Final features include Euro laundry, living room A/C, storage cage, ceiling fans, and floor-to-ceiling bathroom tiling. Enjoying the advantages of a quiet side-street with main street credentials, live within steps of Highett station village, with a range of local traders, cafes, restaurants, and retail outlets just outside your door. Cheltenham station village, Southland SC, and the foreshore are right nearby.
