Clean lines and fresh, airy spaces designed to capture a modern lifestyle are the signature of this distinguished low maintenance townhouse. Standing proud with its own street frontage and only 150 metres approx. from the town centre, the large living area illustrates the impact of refined finishes that flows to a great sized kitchen and dining and leads to a low maintenance yard. The hard flooring and a striking kitchen with stainless appliances. Features, 3 over sized bedrooms, with built in robes and central bathroom with separate toilet. Extra features are ducted heating, evaporative cooling, split system, off street parking behind secure gates and all so close to shops, train station, restaurants and cafes to be an everyday indulgence.
