\$490,000 - \$539,000

Light up your life, or invest in a Hampton address with Bayside's brightest shiniest lifestyle investment! Serene, sun-filled and set securely to the rear of this gated group, this renovated two bedroom first-floor apartment shines with north sun and fresh new style with a state-of-the-art Calacatta-style stone-benchtop and European appliance kitchen (with the latest induction cooktop)...and brilliant indoor-outdoor living with glass-sliders opening northwards to an entertaining-sized, all-weather balcony-terrace. Shining with bright ideas from sparkling designer lighting above the kitchen bench, to wine-racking above the fridge, to a warming heated towel-rail for the glossy bathroom, this reverse-cycle air-conditioned apartment lights up with built-in robes for both bedrooms, warm wideboard floors throughout, and intercom-entry for peace of mind. Even the car accommodation goes above and beyond with two secure spaces in the auto gated basement garage. Move in and entertain, rent-out and relax, there's all you need here for Bayside success... including a Hampton lifestyle address with shops at the door, Boss James Reserve and Shane Warne Oval just down the road, and Sandringham's village shopping and Highett's latte strip both within minutes!
