Welcome to "Summer Sky" - a 1960's beach house that is welcoming from arrival. Having recently undergone a refurbishment, there is nothing to do but move in and enjoy! Gleaming polished floors, ornate ceilings, and natural light through-out gives the home that extra substance. The oversized master bedroom is large enough to accommodate a super king bed and, complete with loads of cupboards, you will love the privacy and space. Floor to ceilings tiles and neutral tones in the bathroom make for easy care, and is conveniently placed between master and second bedroom. And for even more convenience, there is also a separate second toilet off the laundry. The modern open plan kitchen is well positioned and connects perfectly to living and meals areas making everyday living easy and stress free. A nook area offers multiple options to utilize as a study, home office or perhaps a reading room. Access to the rear yard work studio allows for the possibility to create a home business or use as an extra multipurpose space. The north facing deck will make for the perfect spot to have your morning brekky or to read a book while soaking in the rays. Just minutes to waterfront, shops, schools and sitting in one of Margate's quietest and most elevated streets, this is certainly a home that ticks a lot of boxes!
