Look no further than this great block in Southport if you like a bit of a getaway then this is perfect to build your weekend hideaway or new family home on this virgin half acre block, in the popular community of Southport. Situated within a minute or two of the boat ramp and access to both the Blackmore and Darwin Rivers you can spend your time relaxing in the quiet surroundings of the area or launch the boat and off you go on a fishing or crabbing adventure. All so close to Berry Springs Township and school. There is no time like now to invest in your future limited land left in the area this one has power and phone services passing water is via the town bore.
