IT'S ALL ABOUT A LIFESTYLE Beautifully established on a tree shaded 3 acre allotment this property offers you more than a place to live. The immaculate 4 bedroom home has been lovingly upgraded by the original owners featuring a stunning near new kitchen with stone bench tops and an island bench that over looks an open plan living/dining area. There is a separate living room, a study, an ensuite to the main bedroom and features like plenty of built in cupboards, ducted air conditioning, slow combustion heating and more. In addition to the main home there is a fantastic freestanding granny flat/games room that has a bedroom, large open living room with heating and cooling all adjoining a decked gable roof outdoor entertaining area that overlooks the inground heated salt water swimming pool making this home like a holiday resort. There is also large side and rear verandahs, a fenced "house" yard, lots of toolsheds, a wood shed, veggie patches, chook runs and a big 40x20 workshop/shed. All located on the edge of Gawler, close to Xavier College and enjoying easy access to the Northern expressway and Adelaide's northern suburbs.
