This beautifully updated 3 bedroom, 1 bathroom home is a true gem, nestled in a prime location and is ready to move into. You're welcomed into the front yard of this home by a gorgeous picket fence, stunning gardens and a front porch. Step inside to discover a tastefully updated interior, offering modern comforts and style. At the heart of this home lies its generously size kitchen, living and dining area. Featuring quality appliances, the kitchen also has plenty of storage space and room for the whole family in the lounge. The three bedrooms are all generously sized, feature built in wardrobes and share the updated family bathroom. Through the backdoor, you'll be impressed with the expansive outdoor entertaining area, perfect for hosting gatherings and creating memories. You'll also find a large laundry room, second toilet & an additional fourth bedroom or extra living space. Situated on a great sized block, this property offers a massive yard and a well-maintained vegetable patch, inviting you to embrace the joys of gardening and outdoor living. Enjoy the convenience of side access and a drive-through carport, ensuring easy entry and exit. The property boasts a spacious 6x6 shed with power, providing ample space for all your storage needs.
