This stunning Architecturally Designed home, only minutes from Burnie CBD, gives you the feeling of rural living so close to town. Constructed in 1974, on a beautiful 5-acre allotment (approx.), this large property was built with space and views in mind. With several living areas, 5 bedrooms, a study, and three full bathrooms, the multiple-level home has room for the largest family. A renovated kitchen/dining area with stunning views towards Round Hill, the formal dining room and lounge shares the same northern aspect and overlook the property and garden. Upstairs the master bedroom has views also, walk through robe and ensuite, and an adjoining study and sitting area offer the perfect parent's retreat. On the lower level, there is a fully self-contained unit consisting of kitchenette, lounge, full bathroom, and one bedroom. The home has undergone recent renovations and is low maintenance, with a new colour-bond roof, external cladding and aluminium windows. The home also has a double car garage with internal access, a separate man cave/workshop and a 5 bay shed, which comprises of 3 lockable bays, for the storage of those special toys, and two open bays for either the boat or caravan. The home is also serviced by a freshwater bore and a septic, so there are no water bills! This truly is a special property and deserves an inspection. Contact Wendy today!
