Release, reset and relax in the blissful bounds of this bespoke 3 bedroom, 3 bathroom residence, epitomising a sophisticated rural lifestyle in a sheltered locale moments from Pambula village. An advanced natural influence runs freely throughout the home's eye-catching arrangement and its 2.43 acre (approx.) allotment. The home opens to expanses of warmth with polished timber floors and wood combustion heating, emanating a true homely essence as it stretches past the living and dining space that capture the stunning rural views. A north easterly aspect to the entertaining space invites abundant natural light, highlighting the refined angles and central kitchen with premium appliances. The main bedroom offers an idyllic environment with fitted dressing room and decadent ensuite, complemented by another two bathrooms for the remaining bedrooms. Complimentary to its timeless beauty, the property's private placement amongst green rolling hills is only a short drive to some of the South Coast's best beaches and renowned food and wine experiences. With additions including reverse cycle heating and cooling, large double garage and separate double shed, 100,000Lt water tank and under-house storage/rumpus rooms. This opportunity is too good to miss.
