Spacious and Homely

Clean lines and elevated views are showcased throughout this home, centrally located in an exclusive pocket of Mill Park.

From the moment you step inside, you will appreciate what this home has to offer. Four generous sized bedrooms that are fully robed, including master with ensuite and walk in robe, provide loads of sleeping accommodation for the growing family. The central, timber kitchen with stainless steel appliances, ample bench and storage space and adjoining meals area lead out to a long porch that takes in sweeping views of the area, and the retreat at rear provides additional living space that also captures the scenery.

Downstairs, an additional living space with second kitchen and bathroom provide an excellent opportunity for extended family to live close but independently, making this an ideal family home to suit all sizes.

Timber flooring with neutral tones makes it easy to personalise, and ducted heating, air conditioning, intercom, double garage, and large backyard all complete an enviable package that is sure to impress.

Moments from Plenty Road providing easy access to all amenities, including public transport, Westfield Plenty Valley and South Morang Train Station, local schools and so much more, this is a wonderful home that will not disappoint.
