Welcome to the beautiful Spring Lake estate, nestled on a quiet street and occupying a generous 810m² (approx.) parcel of land, this elegant residence is the epitome of style and tranquillity. Custom built by Rendition homes in 2017, this property boasts a spacious and thoughtfully designed layout with four bedrooms, two bathrooms, three living areas, a study nook, and a butler's pantry. This property truly has it all and is a must see for discerning homebuyers. As you step inside, you'll be greeted by a wide foyer that leads to a media room or formal lounge on your left. Continuing through, you'll find the heart of the home – an expansive kitchen, dining, and lounge area. The chef's kitchen is a masterpiece, featuring durable 2-pack cabinetry with stunning stone countertops, a 900mm gas cooktop, electric oven, a Miele dishwasher, and ample storage. The convenient café windows to the alfresco bar make entertaining outside a breeze. The kitchen seamlessly flows into a spacious butler's pantry, where you'll feel like a kid in a candy store, complete with custom cupboards for each person's individual laundry baskets, all neatly stored for collection in the generous laundry. The expansive main bedroom is a true retreat, with a large walk-in robe and an ensuite that boasts his and her sinks. There's even room for a cosy reading corner where you can unwind in peace. The remaining three bedrooms are situated in their own wing, offering plenty of space and all equipped with built-in robes. This wing also features its own well-appointed bathroom and a teenage retreat, providing privacy and comfort for the entire family. Outside, this property continues to impress. You'll discover two alfresco entertaining areas, a spa for relaxation, veggie beds for the green thumbs, and an easy-care lawn and garden. The three-car garage with rear access ensures that working in the backyard is a breeze. Plus, the energy-saving solar system adds to the eco-friendly features of this remarkable home. And the best part? Within walking distance, you'll find a delightful cafe, a kids' playground, lots of reserve space, and, of course, the beautiful Lake. This is a rare opportunity to own a meticulously designed and well-maintained property in the sought-after Spring Lake estate.
