Just a couple of minutes from Sorell this large family home is situated on a 4.442 hectare (10.97 acre) allotment, with one boundary on the Orielson Rivulet. Offering a flexible floor plan, with up to 5 bedrooms, 2 living areas, 2 bathrooms, a large family/dining room, modern kitchen and a sunroom. Drive up your circular driveway, enter the home from the front undercover veranda into the front entry. To your right is a perfect home office or fifth bedroom. On your left the foyer opens onto the huge family living room, with its wood heater and sliding doors out to the front veranda. Past the living room you will find the open plan dining/family room, with reverse cycle heat pump. Next you will see the modern kitchen with its breakfast bar, wall oven, hot plates, dishwasher and lots of bench space to prepare those family meals. A sliding door takes you from the dining area into the sunroom/mudroom. Three bedrooms have built-ins, the master offers a walk-in robe and ensuite. Add to this a main bathroom, with a bath, shower and vanity, a separate loo, and separate laundry. At the end of the passageway is a huge teenagers retreat or rumpus/games room (easily converted back to a garage). This property is not perfect, but there is potential to make it something truly stunning. Just minutes from the centre of Sorell and less than 30 minutes to Hobart this property is well worth your inspection. N.B.
