This well presented home boasts three bedrooms and a separate room off the master bedroom, providing ample space for a growing family or even individuals seeking extra privacy for a home office or study. The inclusion of two toilets is an added convenience, ensuring that everyone's needs are met without any hassle. Additionally, the low maintenance yard is perfect for those who lead busy lives or simply prefer to spend their time on other activities rather than constant upkeep. Whether it's enjoying a peaceful weekend BBQ or relishing in a cup of coffee on the porch, this cosy abode offers both comfort and functionality in equal measure.
