Discover your dream family retreat – a meticulously maintained five-bedroom haven, seamlessly blending style and spaciousness. With a move-in-ready appeal, this home boasts a sun-drenched North-facing lounge, an expansive open-plan living area, and a renovated kitchen that serves as the heart of the home. A ground-floor master bedroom and second bedroom offer convenience, while an upstairs extension adds three more bedrooms. Additional highlights include a versatile study, new carpets, fresh paint, upgraded amenities, and a revamped swimming pool. Positioned across from Aranga Reserve and close to schools, trails, and the Eastern Freeway, this is your premium family lifestyle opportunity.
