A charming 3-bedroom, 2-bathroom home situated in a prime location. Both the gardens and the house have received attentive care, resulting in a property full of character and offering an excellent opportunity for personal customization or simply enjoying what has already been lovingly created. This spacious home has a modern floor plan with multiple living areas. The large kitchen overlooks the dining and family room. The master bedroom has ensuite and walk in closet, while the two other bedrooms have built in closets and access to a large bathroom with spa. The quarter acre block has powered shed and full laneway access.
