It is one of the rare opportunities to place yourself in paradise for an affordable price. With your personal touch and a bit of love, this will be the perfect place to call home! Located within walking distance to the powdery sands of Googarra Beach and the two Boat Ramps, this home makes the perfect primary home, vacation, AirBnB or investment residence. It is a heaven for those seeking a laid-back beach lifestyle. Get your boat and have some fun out on the reef. Ride your bike along the pristine beach or have a BBQ at the provided stations. Tully Heads, a small, friendly community, can be reached within 15 minutes of Tully. It's home to all major shops, schools, restaurants, banks, and a hospital. This solid-built block home has three bedrooms and one spacious bathroom. All rooms are fully airconditioned with high ceilings and fans. A functional open-plan living kitchen with a breakfast bar.
